General Services has identified a number of surplus vehicles available for donation. I request that the Rules Committee consider the following:

- One surplus passenger van be donated to the Gentle Lambs Community Ministry, a non profit 501(c)3 organization that assists women and children in moving beyond homelessness.
- Two surplus pickup trucks and one surplus van be donated to Our City Forest, a non profit 501(c)3 organization dedicated to promoting a healthy living environment by providing assistance in urban forestry maintenance to San Jose residents.

Both organizations provide extremely worthwhile services to the community and would benefit greatly from having these vehicles. Thank you for your attention to this matter.
